

30th April 2025.

To Whom It May Concern,

I am happy to recommend Naim Abdulhakim Salim of ID No. [REDACTED], who completed an internship with us as a Junior Front-End Developer from 12th August 2024 to 11th November 2024. Throughout his time here, he demonstrated a strong willingness to learn, a positive attitude, and the ability to work well in a team environment.

He supported our development team with front-end tasks and showed growth and professionalism throughout the internship. I'm confident he will continue to develop into a capable contributor in any future role.

Sincerely,

Umar A. Faraj
